

***Supramolecular Chemistry with
Schiff Base Macrocycles***

Prof. Mark MacLachlan

University of British Columbia, Canada

Friday 5th March, 2010. ICIQ Auditorium, 12 p.m.

- B.Sc. from UBC in 1991 - 1995
- Ph.D. from U. of Toronto in 1995 - 1999 (with Ian Manners and Geoff Ozin)
- NSERC Post-doctoral fellow at M.I.T. 1999 - 2001 (with Timothy Swager)
- Assistant Professor at UBC 2001 - 2007
- Associate Professor at UBC 2007 - present
- Humboldt Fellowship for Experienced Researchers 2009 - 2010 (at RWTH Aachen, Germany)
- Research interests: supramolecular chemistry, nanostructured materials, organic chemistry, inorganic chemistry, coordination chemistry, macrocycles
